

## Rymer, Edwina

---

**From:** Dorsey, Nancy  
**Sent:** Thursday, September 10, 2015 3:11 PM  
**To:** R6 6WQ-SG;Bates, William;Hildebrandt, Kurt;Brown, Jamesr  
**Subject:** 2015 GWPC-IOGCC meeting OKC 9/27-30 OKC 2015: Where Water & Energy Mix  
**Attachments:** GWPCPreliminary\_0902.pdf

Who is going?

Monday

**Room 5**

**Addressing the Challenges of Environmental Risk Communication** **Dr. Bill Rish**, Hull Risk Analysis Center

**Room 4**

**Water & Energy: Induced Seismicity by Underground Injection**

Moderator: **Rex Buchanan** KSGS

**Abstract 20:** Modeling of Pressure Propagation from Saltwater Disposal Wells Completed in the Arbuckle Group, northern Oklahoma **Kyle E. Murray**, Oklahoma Geological Survey

**Abstract 40:** Understanding, Quantifying and Managing Risk from Injection-Related Earthquakes: A Case Study from Oklahoma **Rall Walsh**, Stanford University

**Abstract 3:** Seismicity Issues – When the Potential for Liability meets the Promise of Data Sharing **Kate Konschnik**, Harvard Law

**Abstract 56:** Investigating Injection-Induced Seismicity through Reservoir Modeling and Simulation of the Arbuckle Saline Aquifer, South-Central Kansas - **Tandis S. Bidgoli**, Kansas Geological Survey

1:30-4:30 **Joint GWPC & IOGCC Session** **Ballroom D-E Cox Convention Center Second Level Lobby**

**GWPC/IOGCC State's First Initiatives**

Moderator - **Larry Bengal**, Director, Arkansas Oil & Gas Commission

☐ FracFocus – **Mike Paque**, Executive Director, GWPC

☐ Inspector Training – **Gerry Baker**, Associate Director, IOGCC

☐ **Induced Seismicity Primer** – **Rick Simmers**, Chief, Ohio DNR-Division of Mineral Resources Management
